This gripping miniseries, inspired on the book of Roberto Saviano, takes viewers on a intense journey across continents, pursuing the path of cocaine from its beginning in South America to its arrival in Europe. The show's power resides not only in its riveting plot but also in its meticulous portrayal of the people involved in this dangerous undertaking.

The narrative is organized around three separate but interconnected storylines. We witness the difficulties of the Leyra family, a influential Italian mafia family attempting to acquire a massive cocaine shipment. Concurrently, we observe the journey of a determined Mexican organization struggling with inward turmoil and the constant threat of rival gangs. Finally, the tale features the perspective of a inexperienced but clever military captain, in charge of protecting the cargo in transit across the treacherous seas.

These three narratives converge and part throughout the series, generating a complex web of alliances, deceptions, and violence. The show masterfully demonstrates how the cocaine trade is not just a matter of supply and demand, but a broad and intertwined system involving numerous players with varied incentives.

ZeroZeroZero doesn't refrain away from the violent representations of cruelty and corruption. This realistic depiction, although unsettling at times, is essential to understanding the gravity of the problem and the individual price of the global drug trade. The program's triumph lies in its ability to empathize even the most callous characters, permitting viewers to grasp their motivations, though not inevitably approving their deeds.

The writing is clever, the cinematography is breathtaking, and the acting is exceptional. The series effectively utilizes different methods to build tension and sustain viewer participation. The application of leisurely sequences, followed by a powerful music, adds to the overall impact of the narrative.

ZeroZeroZero is more than just entertainment; it's a strong critique on globalization, corruption, and the human price of cupidity.
